## 2025 IEEE AEROSPACE CONFERENCE

March 1-8, 2025 - Yellowstone Conference Center, Big Sky, Montana

The IEEE Aerospace Conference community is a group of the brightest and best minds in engineering, science, business and government who work to create, discuss and review leading edge technologies and applications. We are expecting over 500 papers and 750 people to attend this year.

### Junior Conference Scholarship

This conference has an outstanding Junior Conference for Grades 1 – 12. There is a unique opportunity to provide Best Paper Scholarship to a graduating Senior.

Contact [promotions@aeroconf.org](mailto:promotions@aeroconf.org)

This conference is an exceptional venue for brand exposure, engaging your customers and interacting with aerospace technology and program leaders. It also gives you a chance to attract new talent to your programs. Patrons have a number of options to exhibit, sponsor social, banquet and special events, have a dedicated room for one-on-one meetings, as well as have your company logo and information included in the paper and electronic conference materials. Each Sponsor also gets one invite to the Chair's Banquet with open bar and dinner.

#### Banquet Host\*

Four banquets and one lunch as part of the sponsor options

#### Reception Host\*

## 2025 IEEE AEROSPACE CONFERENCE

March 1-8, 2025 - Yellowstone Conference Center, Big Sky, Montana

Patrons at the Silver level and higher may choose to exclusively sponsor one or more dinners, the slope-side lunch, the java jam events, and fireside cheer and chat events. This allows a Patron an exclusive claim to support that event (unless the Patron explicitly requests to co-host with another Patron). Since there are limited events, any conflicting requests will be decided by Patron level and date the registration payment is received. The possible events available and related offerings include:

- Dinner (Sun, Mon, Wed, Thurs): recognition and thank you from podium and 1 slide on display during announcements/recognition (~5 min) during dinner
- Lunch (Tues), Java Jam (Sun, Mon, Wed, Thurs) and Fireside (Sun, Mon, Wed, Thurs): banner in area and handouts on table

Signature hosting opportunities are also available at one or more nightly receptions. These allow the host to provide a unique offering at a set-aside area in the reception hall, such as a special cocktail tasting, offering swag at a table, etc. Events will be limited to 2 per night. Patron level and registration payment date will be used to resolve conflicting requests.

Each Patron will have one complimentary ticket to the Chair's Banquet, with complimentary drinks and dinner. This is an opportunity to meet all the Conference Committee and Board members.

Private meeting rooms are available at the higher Patron levels. At the Gold level, we will provide a room that is available upon request to one or more patrons. Patrons would book time slots on an as-needed and as-available basis. At the Platinum and Diamond levels, we will provide a dedicated room. These rooms are in the Huntley Lodge, down the hall from the conference area. There are only two rooms available and will be assigned by Patron Level and date of payment.

One excellent way to support the conference is to sponsor the Junior Engineering Conference Scholarship ([www.aeroconf.org/junior-engineering](http://www.aeroconf.org/junior-engineering)) with a \$1,000 tax-deductible gift. All gifts will be combined, then divided amongst the high school seniors based on their level of participation over the years in the Junior Engineering Conference. Each senior will receive a certificate with the logos of the donor organizations, and each donor organization will receive a receipt for their gift and the knowledge that they have supported the next generation of engineers and scientists.

### Application & Payment:

1. Fill in the Patron Program Application Form on the last page of this document and email it to [promotions@aerospace.org](mailto:promotions@aerospace.org). Please be sure to select the benefits you want (e.g., Chair Banquet tickets, lift tickets or guest packages and any events that you would like to host).
2. Go to [AeroConf 2025 IEEE Aerospace Conference](http://AeroConf2025.IEEE.Aerospace.Conference) and set up a user ID, if you don't already have one. Let us know when that is complete.
3. We will then set up your selected Patron level so you can log in and pay the fee.
4. We will coordinate with the Patron Representative identified on the form to set up the complementary registrations and the selected benefits.

### Additional Information:

- The Guest Social Package ("Guest Pkg") includes the plenary dinners, the Tuesday Slope-side

luncheon, and Friday farewell reception and dinner.

- We recommend two 4' (1.22 m) x 6' (1.83 m) banners with grommets at the corners for hanging. Larger banners can be accommodated: contact us at [promotions@aeroconf.org](mailto:promotions@aeroconf.org). Please ship your banners by February 21, 2025 and notify us of the tracking number for the banner package so we can have all banners installed on the side walls in time for the first conference event Saturday night.
- Patrons are encouraged to email a logo that we can use in the conference schedule header and program, as well as the website and conference app. Logo should be 3" x 4" (7.6 cm x 10.2 cm) TIFF CYMK, 600 dpi, and must be received by January 3, 2025. This was the schedule header for the 2024 conference.

- Provide a website address that you want us to link to your logo
- Ad copy should be TIFF CYMK, 600 dpi, and must be received by January 3, 2025.
- Payment must be received by January 24, 2025 for logs and/or ad copy to appear in the conference publications.
- We also encourage you to provide a single-slide PowerPoint file for presentation in the Missouri Ballroom during dinner. This is a great opportunity for you to develop mindshare about your organization's products and/or services. Each slide is presented for only a few seconds per rotation, so bold imagery and sparse text work best. Here are some examples of slides that do this well:

- **Again, we recommend that you ship your items no later than February 21, 2025, due to potential weather conditions.** Big Sky does NOT receive deliveries on the weekend. All items MUST arrive by February 27, 2025. Be sure to include: your company name, point of contact, and mobile phone number, and "IEEE Patron". For more information, call the resort directly at (406) 995-5891.
